# IT'S A BEAUTIFUL MORNING

4/4 1234 1

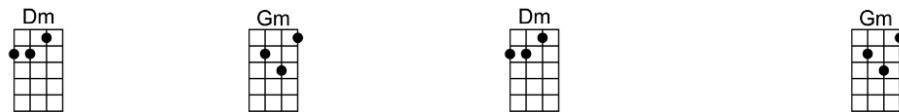

-Felix Cavaliere/Eddie Brigati

It's a beautiful mornin', ah, I think I'll go outside for a while

(And just smile) Just take in some clean fresh air, boy!

(Ain't no sense in stayin' inside) If the weather's fine, and you've got the time,

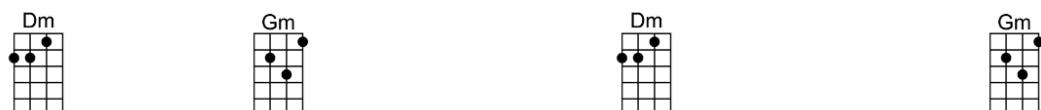

It's your chance to wake up and plan another brand new day (Either way)

It's a beautiful mornin', ah, each bird keeps sing-in' his own song

(So long!) I've got to be on my way now

(Ain't no fun just hangin' around) I've got to cover ground, you couldn't keep me down

It just ain't no good if the sun shines, when you're still inside

(Shouldn't hide) still inside, (shouldn't hide) oh, oh! (Shouldn't hide) oh, oh, oh

I have no one to meet

And the ancient empty street's too dead for dreaming.

My senses have been stripped, my hands can't feel to grip,

My toes too numb to step, wait only for my boot heels

To be wandering.

**F**

I'm ready to go anywhere, I'm ready for to fade

C

Into my own parade, cast your dancing spell my way,

I promise to go under it.

Though you might hear laughing, spinning, swinging madly

Then take me disappearing through the smoke rings of my mind,  
C F C F  
Down the foggy ruins of time, far past the frozen leaves,  
C F C F  
The haunted, frightened trees, out to the windy beach,  
C F G  
Far from the twisted reach of crazy sorrow.

Yes, to dance beneath the diamond sky with one hand waving

Silhouetted by the sea, circled by the circus sands,

With all memory and fate driven deep beneath the waves,
